

Skirting Cover Range

Talon's Skirting Cover range is a durable and attractive profile that enables pipework, cables etc to be neatly covered. Available with a choice of bracket arrangements, this easy to fit product also comes with a range of accessories.

Skirting Cover is supplied in 2.5 or 3 metre lengths and is manufactured in extruded white uPVC. This quality grade material is rated to a UL94 V-0 flame spread rating making it suitable in almost any application.

The finish is resistant to both mild acids and alkalis and is easy to keep clean. Where 15mm vertical pipe drops need to be covered Talon also offer a matching Pipe Cover (see Talon 15mm Double Cover on page 23) that integrates with Skirting Cover using a T Connector.

Please note 4 brackets are required to each length of Skirting Cover.

The Talon Skirting Cover Brackets is copy protected. Patent No. 2413338 & 2379676.

Skirting Cover Range

105 Skirting Cover - Direct to wall

- Wall bracket should be mounted directly to wall.
- Cover simply snaps onto bracket via unique 'click-on' style tooth arrangement.
- Available space allows for 3 x 15mm or 2 x 22mm un-insulated pipes to be fitted.

Code	Description	Pack Quantity
CSK105W	105mm Skirting Cover 2.5 metre	Pack of 4
CSK105W/3	105mm Skirting Cover 3.0 metre	Pack of 4
AK105FBW	Fixing Bracket (shown below)	Pack of 4

AK105FBW Bracket

Fixing bracket to be used with 105 Direct to Wall Skirting.

105 Skirting Cover - Over Skirting

- Wall bracket can be fitted directly to existing timber skirting.
- Bracket includes two 15mm open clips to enable pipework to be fitted directly to the bracket.
- Cover simply snaps onto bracket via unique 'click-on' style tooth arrangement.

Code	Description	Pack Quantity
CSK105S	105mm Skirting Cover 2.5 metre	Pack of 4
CSK105S/3	105mm Skirting Cover 3.0 metre	Pack of 4
AK105FBS	Fixing Bracket (shown below)	Pack of 4

AK105FBS Bracket

Fixing bracket to be used with 105 Over Skirting.

Skirting Box Cover

To complement the Skirting Range Talon also manufacture a skirting box profile 125mm high x 55mm deep. The product is supplied with two fixing strips and offers a more roomy profile than the standard 105mm high Skirting Cover.

Code	Description	Height	Depth	Pack Quantity
CB1255/3	125mm x 55mm x 3.0 metres	125mm	55mm	Pack of 2
